

Bell, 230VAC

Part no. ASBELL230  
167393

General specifications		
Product name		Eaton Distribution parts
Part no.		ASBELL230
EAN		4015081638918
Product Length/Depth		90 millimetre
Product height		70 millimetre
Product width		18 millimetre
Product weight		0.059 kilogram
Compliances		RoHS conform
Product Tradename		None
Product Type		Distribution parts
Product Sub Type		None
Public Consumption		Yes
Product Family Description		ES-PMCC-PDC-Eaton Distribution parts
Globally Marketable		Yes

### Technical data ETIM 8.0

Optical and acoustic signalling equipment (EG000035) / Alarm signal (EC000843)		
Electric engineering, automation, process control engineering / Electrical installation, device / Signaling technique / Alarm signal (ecl@ss10.0.1-27-14-32-23 [ADI351007])		
Diameter of bell shell		mm
Colour housing		
Material housing		
Type of tone		
Loudness		dB
Nominal voltage		V
Current supply		
Built-in transformer		No
Type of current		
Electricity consumption		A
Mounting method		
With radio control		No
Degree of protection (IP)		
Degree of protection (NEMA)
