Technical data

Class group: Communication technique
(components and systems)

Class: Power supply door communication

Application: Other

Input voltage: 230 V

Type of current: DC

Output voltage: 12,00 V

Degree of protection (IP): IP20

Installation technique: Multi-wire system

Integrated door opening circuit: No

Control function: No

Evaluation function: No

Service indication: Yes

Mounting method: Other

Programming lock: No

Packaging

8013406131478
