Description

Easykit Plus features a handsfree 7 inches color screen with mirror effect, EU standard plug-in power supply, surface wall mounting, IP54/IK07 protection, and flexible 2-wire installation for secure, expandable door entry systems.

Product characteristics

- 7 inches handsfree internal unit with black finish and mirror effect, featuring a 177.8mm color display for enhanced video door entry monitoring.
- Equipped with a European standard plug and supports 100-240V AC, 50-60Hz operation for flexible installation.
- Internal monitor includes 5 dedicated pushbuttons for VDE functions: answer, open gate, open door, camera view, and staircase light control.
- Expandable system supports up to 2-family houses and can be extended to 6 indoor and 2 outdoor stations for scalable applications.
- Mirror effect design provides a modern aesthetic while maintaining IK07 impact resistance and IP54 ingress protection.
