**323005**

System power supply unit able to supply power on the data communication cable and simultaneously provide impedance matching for the audio channel. Protected against short circuits: in case of DC output short circuit, device will switch to protected mode. Once the problem has been solved, it will return to normal status automatically. Can also be set up to operate as an auxiliary power supply. Wall-mounting installation.

Technical features

Height	85 mm
Width	167.5 mm
Length	161 mm
Rated voltage	100 - 240 Vac@50/60Hz
Series	D45 System
